

JACOB POWELL

ANALYTICAL MINDSET AND CREATIVE SPIRIT
IN SYNCOPATION

PROFILE

Self-starting team player with an outgoing, positive demeanor and ability to execute with diligence and detail. Motivated to use love for art/music, training in marketing and media, and experience in the realms of sales/events to create websites and digital spaces that will engage other inquisitive minds. Timely, meticulous, goal-oriented with a passion for self-development, creating, and helping others.
